SABRINA

DESERT BLOOM

SABRINA ROSE

Sabrina Rose loves the great outdoors—and it's even greater when she's naked. She loves walking around with her goodies exposed. That's how we found her sunbathing nude under the sun. With her skin glistening, her nipples hard, and her fingers rubbing her twat, Sabrina agreed to take some pictures and show off her pink. Whatever pose we asked her to do she did, with the ease of an experienced slut. In fact, she even suggested some poses, making our cocks rock hard the more she spread her shaved snatch. When the temperature reached over 100 degrees, she requested more lotion to rub all over her body. Gee, Sabrina, we didn't bring any sunscreen. But, uh, we have some "homemade" lotion we can rub all over your skin. Just give us a minute to rub some out!

MY EXCLUSIVE SNEAK
PEAK AT THE MAKING
OF **PIRATES II...THE
HOTTEST ADULT FILM
OF ALL TIME!**

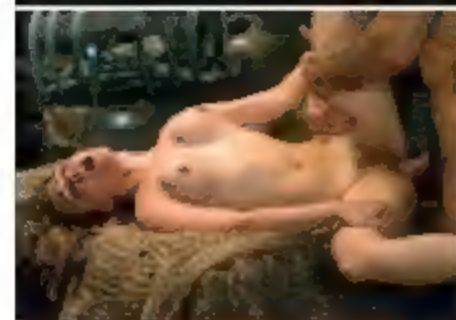

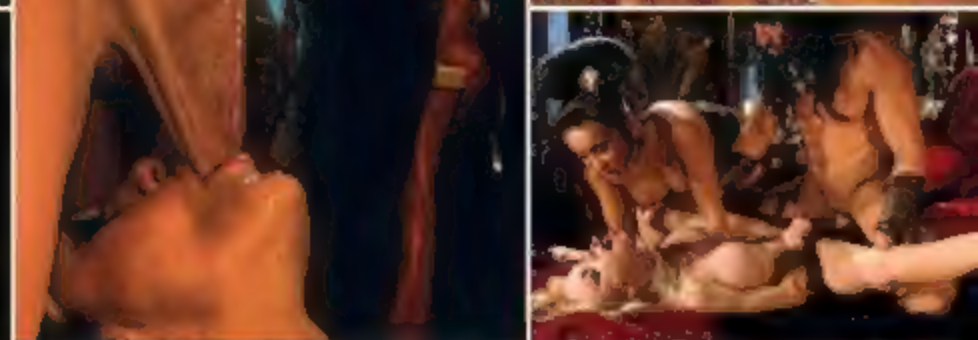

Well, it's been three years since the making of *Pirates*. Everyone has been asking, "When is *Pirates 2* coming out?" I've been asked over and over again. Finally, the wait is over. *Pirates 2* has finally been released, and you can read all about it in my favorite magazine, *CHERI*, plus see plenty of exclusive pics of me and my Digital Playground girlfriends. You don't have to wait anymore. You don't have to wonder what the new movie is about, and if the old characters are back. *Pirates 2*, believe it or not, is better than the original!

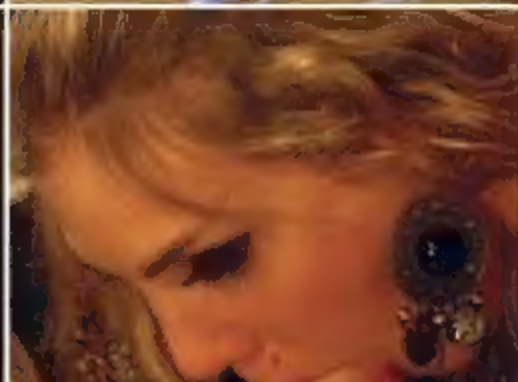

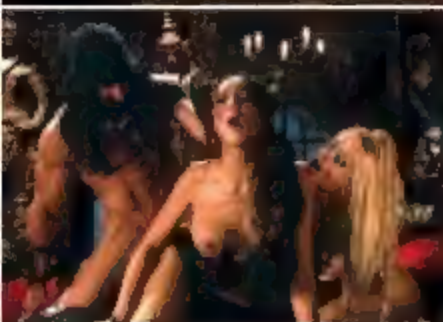

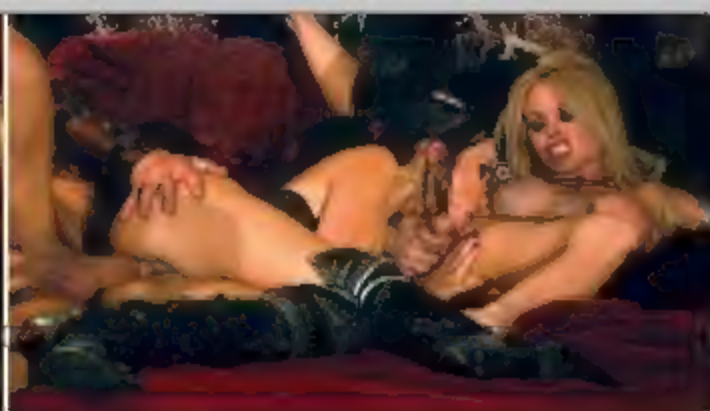

There are more special effects, hotter sex, and a whole new twist to the story. I have to tell you guys this was a very hard movie to shoot. We shot on location for over a month. We were on set anywhere from 11 hours to 17 hours each day—no bullshit in the end, it paid off. Digital Playground had an actual boat built so we could do stunts on it. It was a great boat. We shot a lot of this film on green screen to get the ocean and storms for the background.

So the story starts with Evan Stone (Edward) and I (Jules), on a quest to find Serena (Janine). She had been captured because she became a good pirate. We have to go to Calvera's island to rescue her. When we split up, I end up getting caught in the tent with the bad Pirates, with Katsuni being

All photos courtesy of Digital Playground

the ringleader. They poison me and put me under a spell, as per evil pirate Katsuni's command. So I become evil. That's right, I got to play a bad pirate in this movie—for a little while anyways. Edward ends up being treated as a king in another tent, where Jenna Haze acts like his servant, and have an amazing sex scene. The biggest twist in *Pirates 2* is that Stagnetti (Jimmy Smits) comes back. He actually didn't die in the first one, and he wants revenge—badly! In fact, I end up doing an amazing three-way with Stagnetti and Katsuni. It was so sexy.

In this movie, there are so many hot sex scenes. There's even an orgy with Gabriela Fox and Stoya, who were dressed as gypsies. I run into Marco again (Steven St. Croix), who has a Chinese servant (Shay Jordan) this time, and he's bitter towards me. At the end Shay, Steven, and I have a great sex scene. We ended up fucking each other so hard you can see how red our pussies got!

Riley Steele makes her first porn appearance ever in this movie. She is so gorgeous. She had an explosive, hardcore sex scene with Ben English. We also added to the cast of this movie as well—Sasha Grey and Belladonna. They were so amazing to work with on set. Belladonna played Olivia, another pirate hunter. In fact, her and Evan Stone have a thing for each other, and she and I hated each other. I was so happy that I got to fuck her though. We were in a heated argument, and she wanted me to go against my captain's orders. We yell at each other then the next thing you know, we are fucking each other so hard. We're fucking each others asses, and I end up struggling with her. We were both trying to be dominant but she is so strong. Then Sasha Grey plays Serena's sister. She was great! She even had a crazy three-way with Evan and Belladonna.

This movie has so much to look at. With all the special effects that are in this movie, it's crazy. The makeup on everyone was perfect. Melanie and Alex, the makeup artists on set, did the job perfectly. The sets were very detailed, and really made you feel like you were on pirate headquarters. Everyone worked so hard on this movie. The crew, the cast, set designers, makeup artists, and of course, our special effects people. The person who really put a lot into this to make it perfect once again was Joone, Digital Playground's boss. He cared about every detail, was on set making sure everyone did their best, and created another perfect script.

This movie is going to blow away the first one. Joone again made another extraordinary film that people are going to love. It's like we have our own cult. Robby D did amazing camera-work once again to capture everything. We even sword trained for this movie. *Pirates 2* is so sexy, and is another film that is going to make adult history. I will remember making this film forever.

See you guys in March!

INTERVIEW WITH A PORN STAR

STOYA

OH BOY-A!

Interview by Jesse Jane

HI guys Jesse Jane here to interview the lovely, talented, and very horny Stoya. She's sitting on my lap right now, kissing me softly on my neck, and trying to pull my *CHERI* tank top down so she can see my tits. Ooops, there they go. My tits are now exposed and Stoya is pinching my nipples. Now you stop that while I try to properly introduce you to your fans at *CHERI* Magazine, my favorite porn magazine!

Stoya is originally a Southern gal like yours truly, but like me, wanted to expose herself to the world, and here she is now. Not only is she my fellow Digital Playground contract buddy, but she is also one of porn's most popular girls. Don't you guys just love her milky white skin, long, lean athletic body, and lips you just want to smooch all day and all night? I know I sure do! She has a big part in our new movie, *Prates It Stagnetti's Revenge*, and she'll be featured in other big Digital Playground movies for years to come. For now, enjoy this really hot interview and layout Stoya and I just shot just for our favorite magazine, *CHERI*. Hopefully Stoya and I can get together later, so I can enjoy her all to myself! ➔

STOYA

Q: How long have you been in the business?
A: I have been in the business almost a year, and I love it.

Q: How often do you have sex?
A: Yes, always.

Q: What was your first experience?
A: I was a gypsy. Kind of like a belly dancer. I wore all these beads and threads. It was pretty hot.

Q: How did you get into it?
A: I worked with Charles Dera. Oh my god, he's yummy but he's out of the business now, which sucks.

Q: What is your favorite part?
A: Really?

Q: How was it filming a scene like this? Where were you when it happened?
A: It was insane. We shot on a boat and green screen, and everything was set up with every little detail. They even had this thing that blew out dust. I mean everything was so detailed.

INTERVIEW WITH A PORN STAR

I'm so horny right now I just want to fuck the shit out of you.

INTERVIEW WITH A PORN STAR

STOYA

Would you like to be a director and make movies like *Pirates II* or *James Dean* or *John Travolta* or *David Hasselhoff* or *Tim Allen*?
I just like to get fucked, hate sitting around and waiting. I want to get right to the fucking. With *Pirates II* there's a lot of down time. Those movies are fine to shoot every couple of years.

Were you at the airport and had to ask if *James Dean* or *John Travolta* got fingered by Manuel Ferrara? We didn't get to work together which wasn't fair so we couldn't keep our hands off each other. James Dean and I went to the bathroom and just started fucking. We were so loud the PA came and told us to either be quiet or stop. We even did it the next day when my friend came into town. Her and Robby watched us fuck through the window. It was so hot.

How long did it last? How long was it?
Over a month. I was on set long hours. It was crazy!

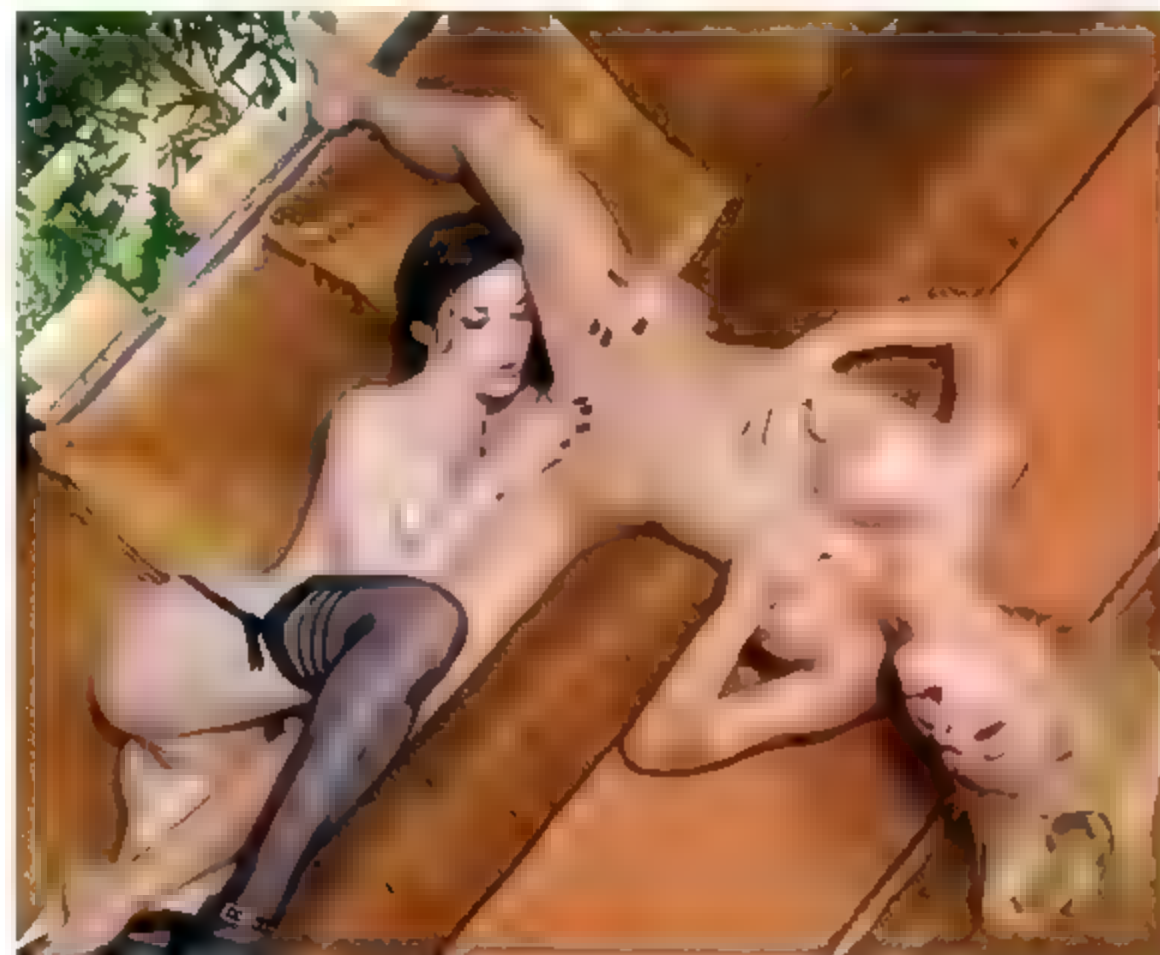

Would you like to get that same time?
No, just a couple days.

It's a long time. It's a long time. It's a long time.
Yes they did for *Pirates II*.

It's a long time. It's a long time. It's a long time.
I don't know, I know Digital Playground will make more big budget movies. Hopefully "It get a part in one of them. Just can't make me wait on set all day long before I can fuck! (Laughs)

There was *Pirates II* what did you do? I want to play.
I honestly don't know. But I hope it's a big part where get to be fucked by Manuel. And of course where I'd get to fuck you and a bunch of other hot girls. I can be a nympho who eats pussy and sucks cock. Are you listening Joanne! (Laughs)

“I just like to get fucked.”

Jean Val Jean. There are also a bunch of hot girls I haven't worked with yet. I want to fuck them too.

Something difficult like crazy, hard sex.

Be in the military I fucked two military guys last night

All of them in an orgy. Johnny and Orlando can double

penetrate me while I eat Keta out. That'd be so hot!

Sounds good to me. I've been staring at your ass long enough and I want to bury my face in it. And I've been thinking of your tongue licking my clit. I'm so horny right now I just want to fuck the shit out of you

My thoughts exactly See you guys, later!!

PLUGGED IN

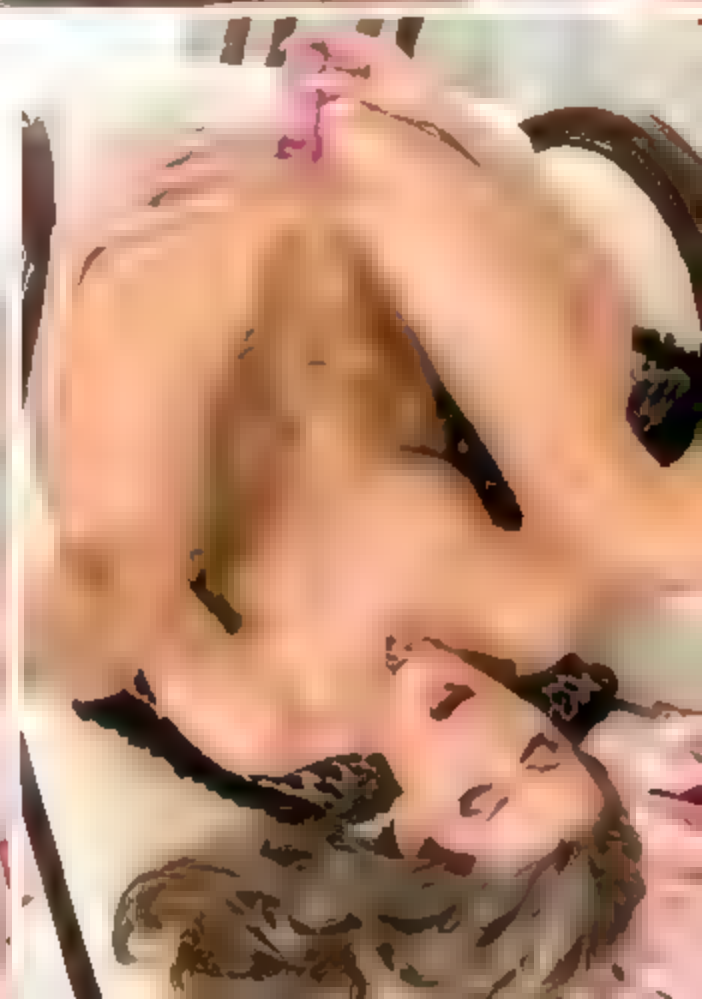

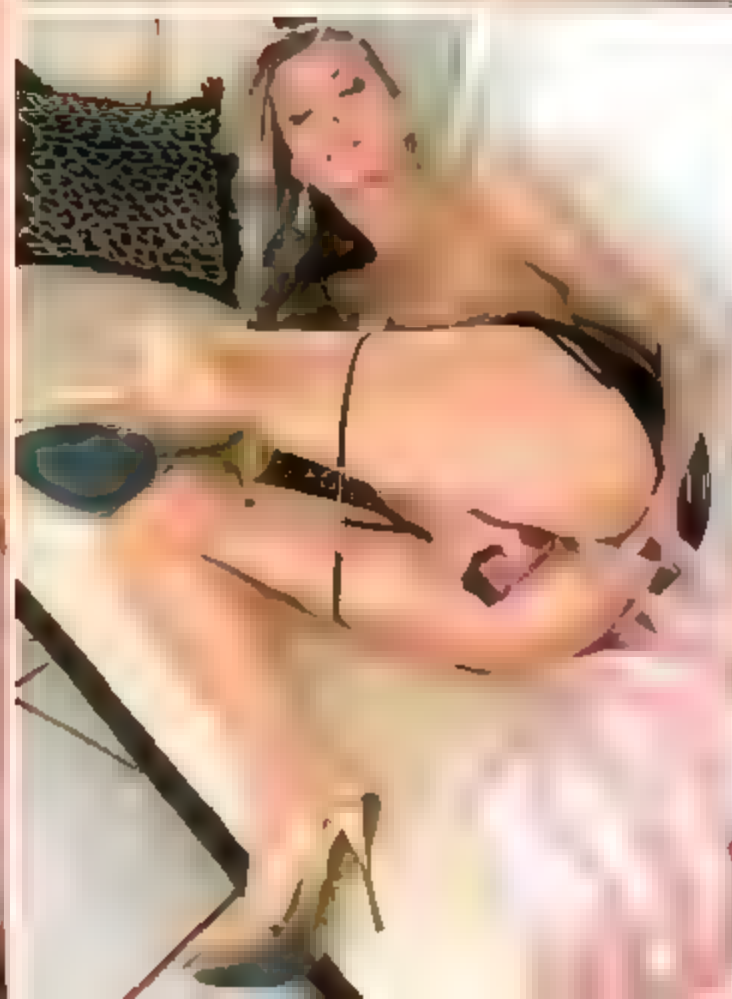

DOMENIKA

PHOTOS BY JACK HARRISON

Domenika wears her black slutty dress before going out on the town, prowling for swinging couples who are feeling adventurous and experimental. Domenika is feeling pretty adventurous as well. In fact, she wants to try anal, and has decided to break in her new toy to probe her ass. After sucking it off, Domenika sticks her hard plastic dildo as deep as she could in her ass. As tight as she is, Domenika's toy eases into her butt, making her pussy wet. Whoever Domenika spreads her legs for is in for a treat. Domenika is definitely getting her ass pugged. She's even taking her plastic "friend" along, just in case she gets a craving to relieve herself. Let us know where you'll be going out tonight, Domenika. We can definitely plug you.

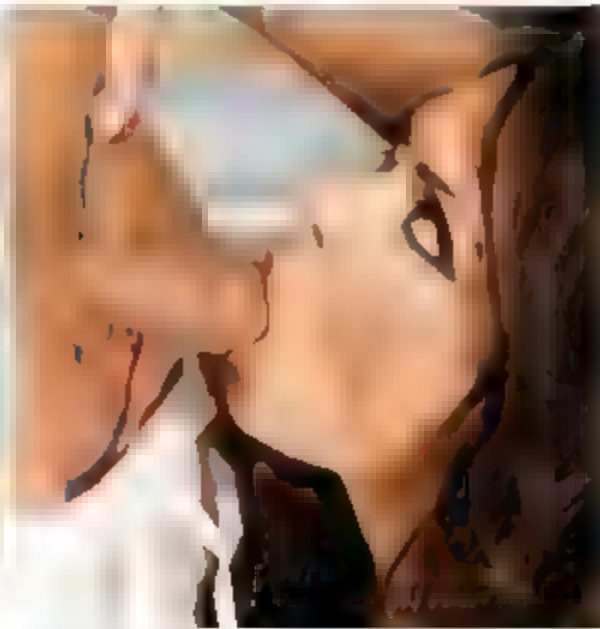

JESSICA

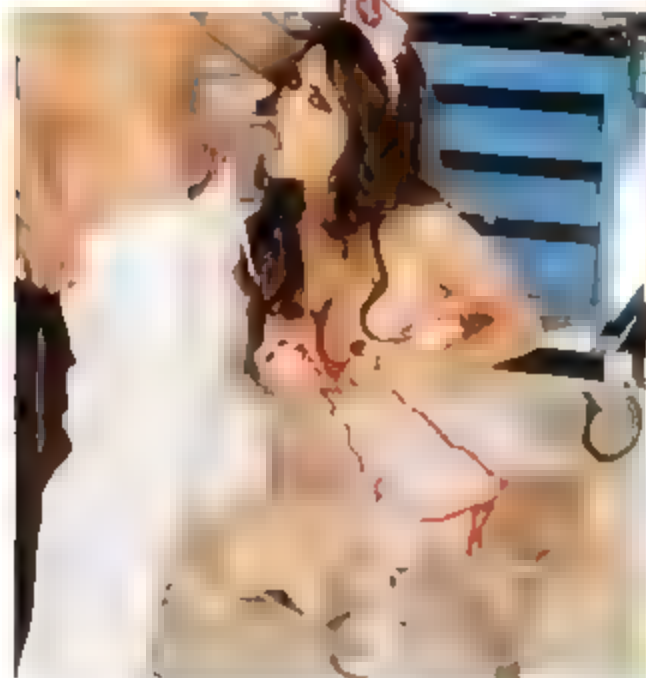

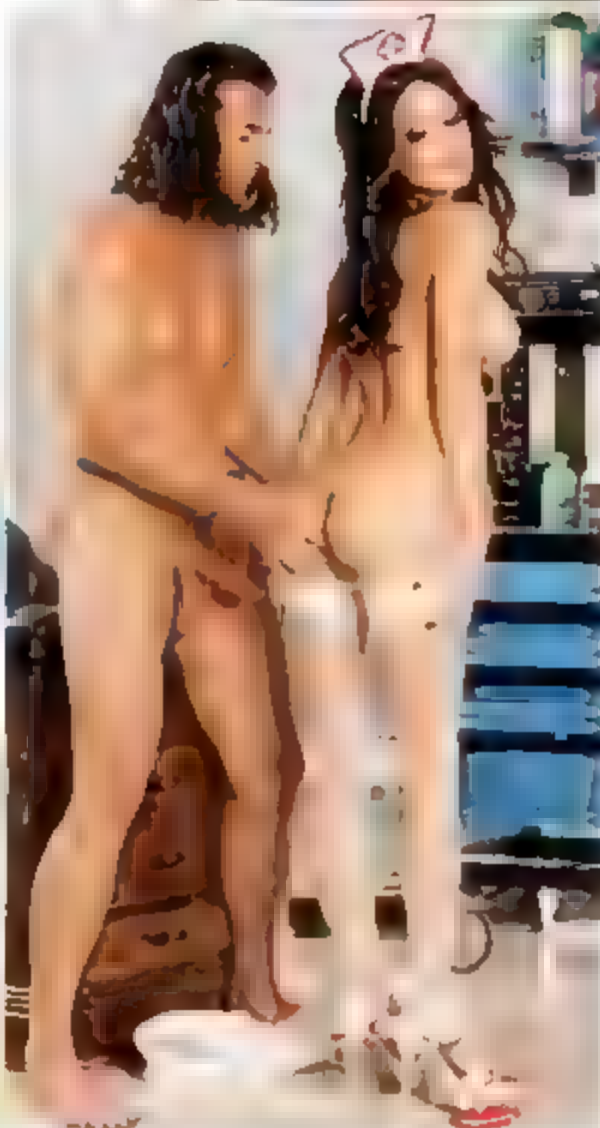

NURSE FEELGOOD

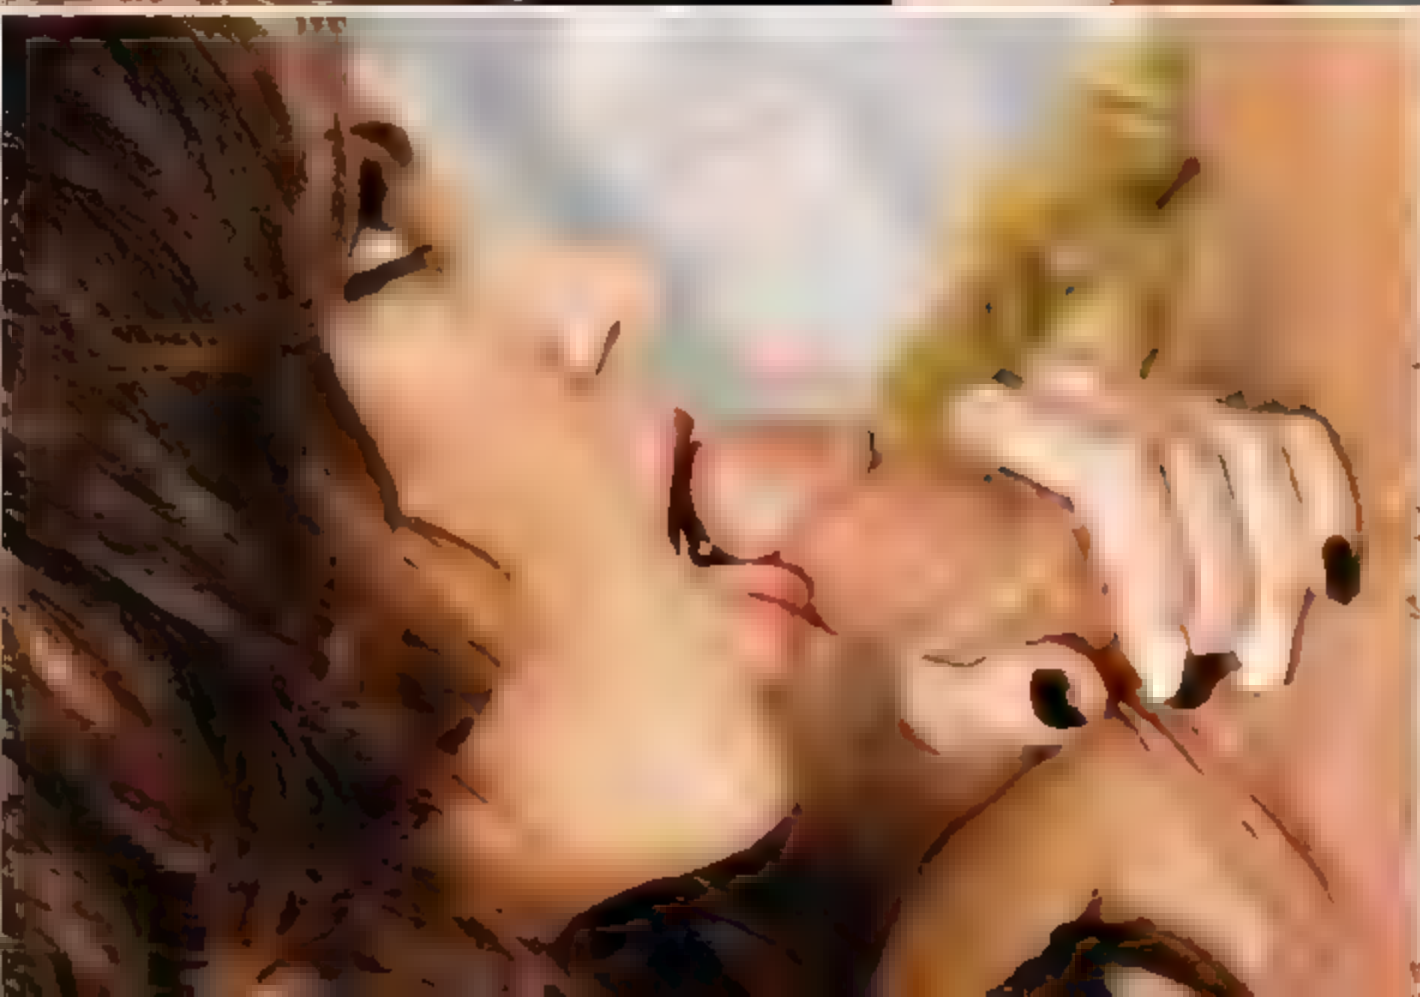

JESSICA JAMES

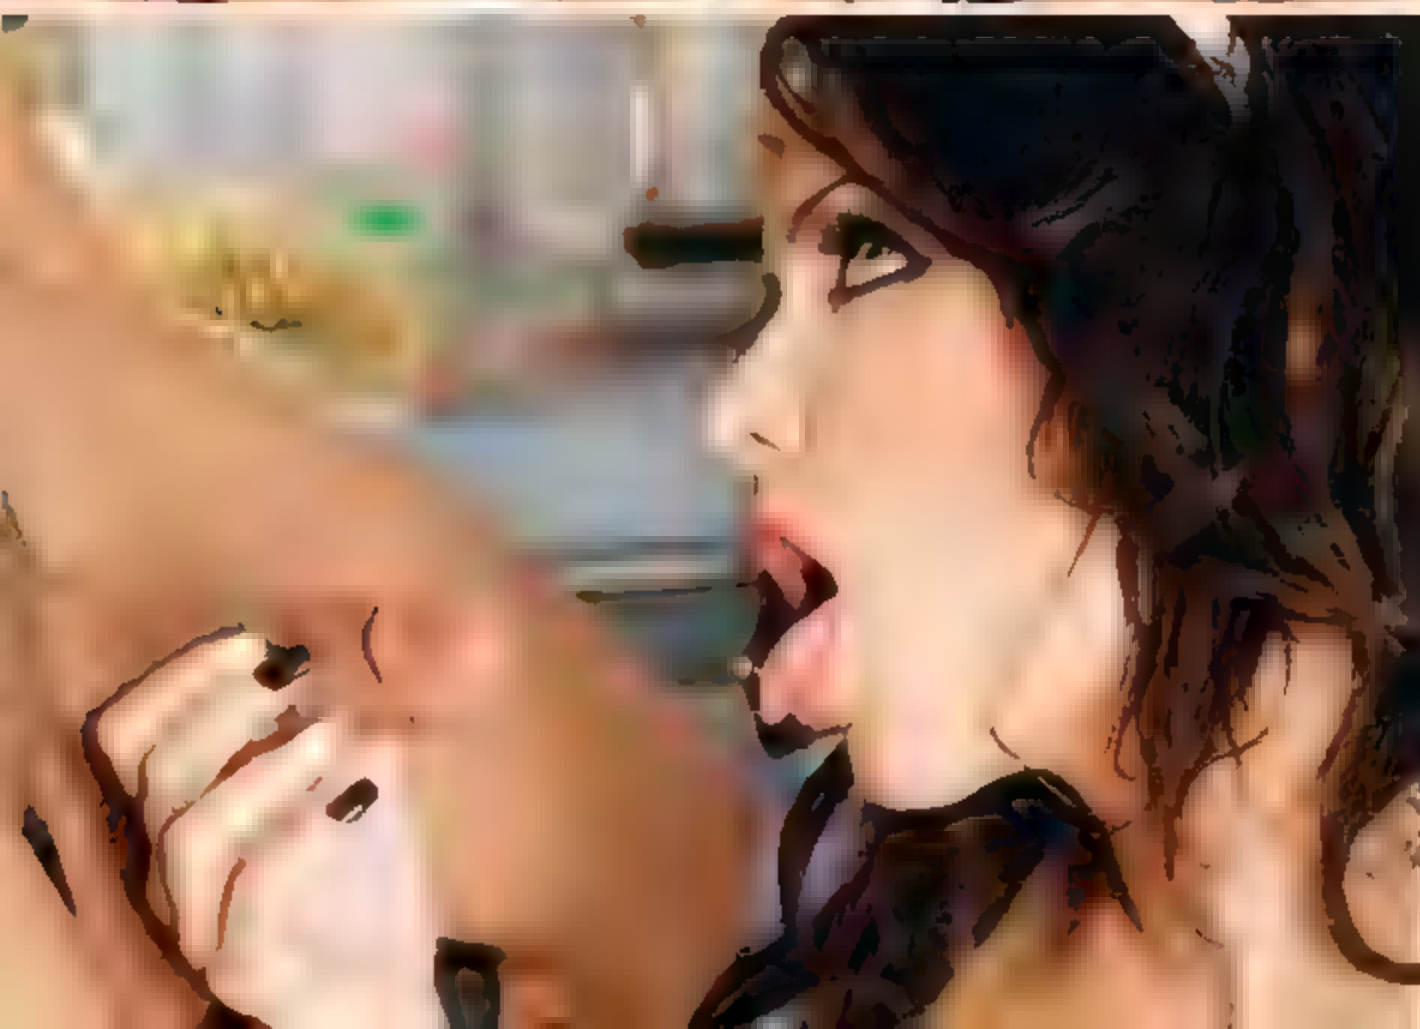

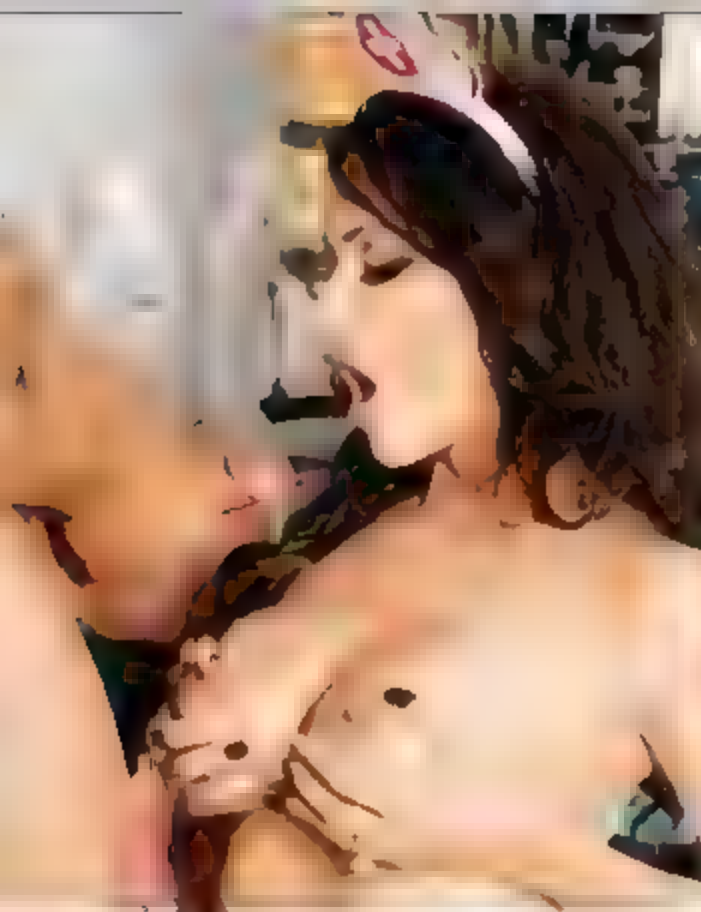

Nurse Jessica's new patient, Nick Manning, has been trying to grab her ass, and cop a feel of her tits since he checked in. A girl can only take so much, especially when she's horny, frustrated, and desperately wants to suck cock. So Jessica just ignores her bath, and deepthroats Nick's throbbing boner. That hit the spot, until Nick grabs a clump of Jessica's hair, and face fucks her until she starts to gag and tear up. That should take care of Jessica's oral fixation. But Nick wants to fuck, so he jams his cock in her snatch and plunges deep inside her wet cunt. A big shot of jizz creams Jessica's face and tits. That should really take care of nurse Jessica—now she can barely walk upright. Time to make the rest of her rounds. Maybe she'll visit the gynecology department to treat her burning sensation.

FUCKIN' AROUND IN SOUTH BEACH 3

SIZZLIN' SLUTS & SORDID SEX — OUR FAVORITE MIAMI VICES!

by Acme Anderson

If a guy is going to be fuckin' around, he could do worse than doing it in Florida's legendary South Beach. The weather is balmy, the place is packed with beautiful women and many of those lovelies are on the prowl looking to get laid just like we are. A perfect match! In Volume 3 of Red Light District's fantastic series, *Fuckin' Around in South Beach*, director Juan Cuba takes us on a tour of the area and some of its finest points, specifically its female points. The girls are ready and eager for taking a run at the professional cockmen Cuba brought along for the journey. Will these not-so-innocent girls be able to handle the intense screwing of these ringers? There's only one way to find out! ➔

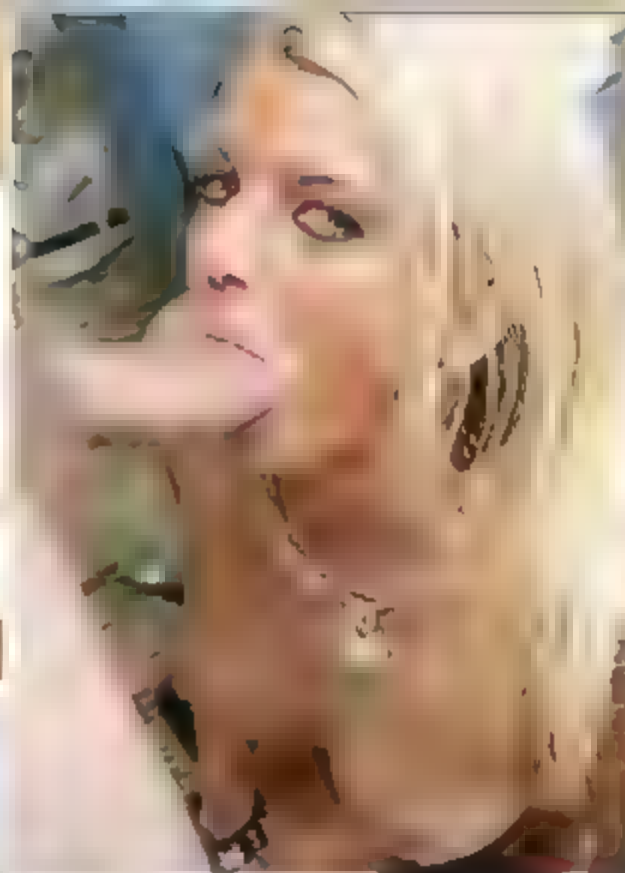

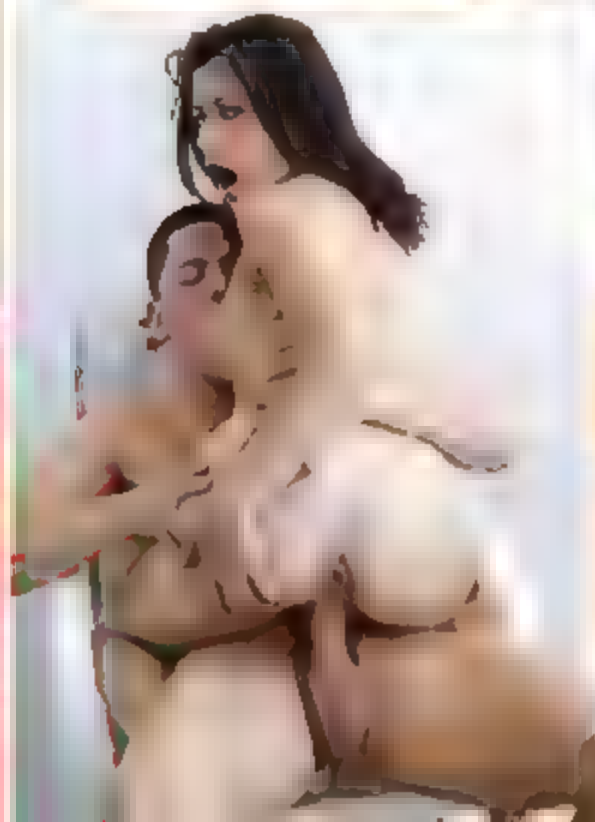

BRITNEY BLEW WITH C-LO

Britney has full pussy lips and C-Lo rubs his cock around them before pushing inside, his dangling balls smacking against her tight asshole. "Oh yeah," she moans, hanging on to the bed to take his hard thrusts. "Fuck yeah, you're fucking amazing!"

She's not so bad herself, riding his cock like a pro, her great body on display and her pussy wrapping nicely around his real as she moves up and down, her legs spread wide and her shaved pussy looking absolutely perfect.

He crams her missionary, her nice rock moving with his deep thrusts and then he asks if she's ready for his level. She gets down on the carpet, opens wide and lets his ball juice land square on her bare butt. A little tentie on her tit, but she happily accepts it up and puts it in her mouth. The girl knows deliciousness when she tastes it.

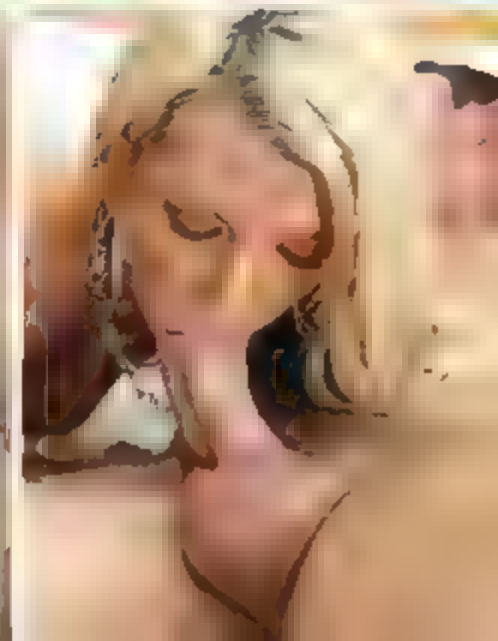

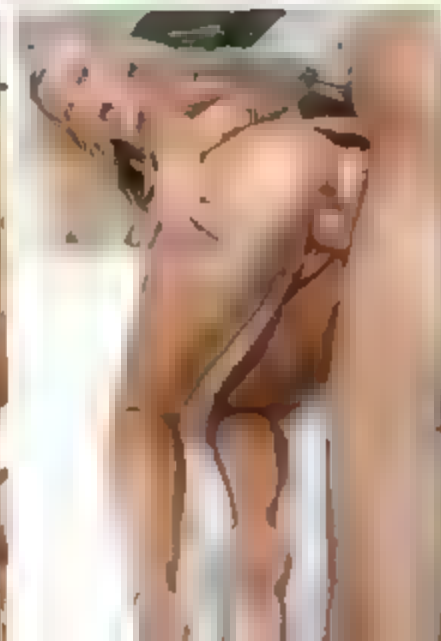

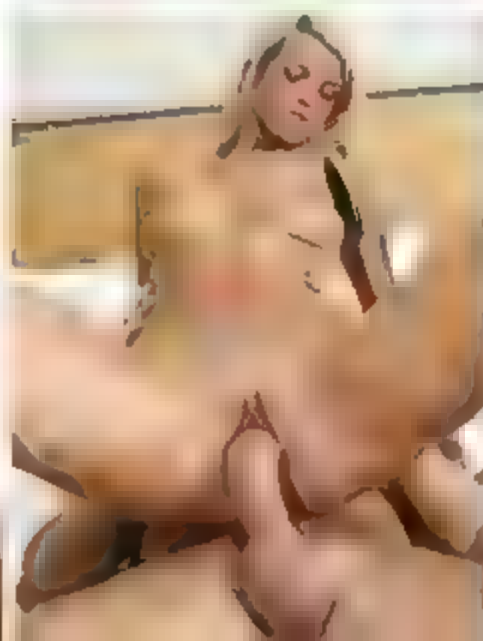

**NIKKI VEE WITH ALEX GONZ**[illegible]

JESSIE ELECTRA WITH MARK WOOD

"I told you I was a slut," Jesse tells Mark as she presents herself on all fours on the bed. Mark isn't about to waste any time and sticks it straight in. "I had no idea it was as big as this!" she says. But doesn't think that is dissuading her. "Fuck me, yeah!" she calls out. "Fuck my pussy as deep as it will go!"

When she gets on top she nips his ear and tries to feel his cock as it slides in and out of her snatch. She stays steady with one knee on the bed, the other foot giving her leverage to ride his entire shaft. -R

Jessie screams and moans and he throws it to her in missionary. He asks her what she wants and she says she wants him cum in her mouth. That she wants to swallow it. "Oh yeah?" Mark says. "Get down here, let's see how you suck it." A minute later her mouth is overflowing with his juicy load and she is thankful for every drop, swallowing it all, even the strands dripping from her chin. "Your cum tastes good!" she tells him. And it's good for you, Jessie!

SLUT IN WHITE

ENTERTAINMENT WEEKLY

Morgan Dayne has been a bawdy bitch all day long and she refuses to take her top off. We know what she needs—getting girls to shake that bad attitude and open up for the camera is our specialty here at CHERI. We treat her delicately, using language we know she'll respond to. "Legs open. Mouth shut," we tell Morgan. "Mmm. we can smell your cunt. Now, turn over and stick your ass in the air. Mess your hair up—we like the just-got-fucked look on our models. Finger fuck yourself until you squirt. What do you mean you can't squirt? Everybody can. Try harder. That's it. That's a good gush, bitch. Rub those juices all over yourself. Good." At the end of the day, Morgan can barely walk, and she's mellowed considerably. It's not easy being Tort Of The Month, is it, Morgan? Should've just shown us your tits when we asked. *W*

CASSIE & SATIVA

PUSHIN' IN THE CUSHION

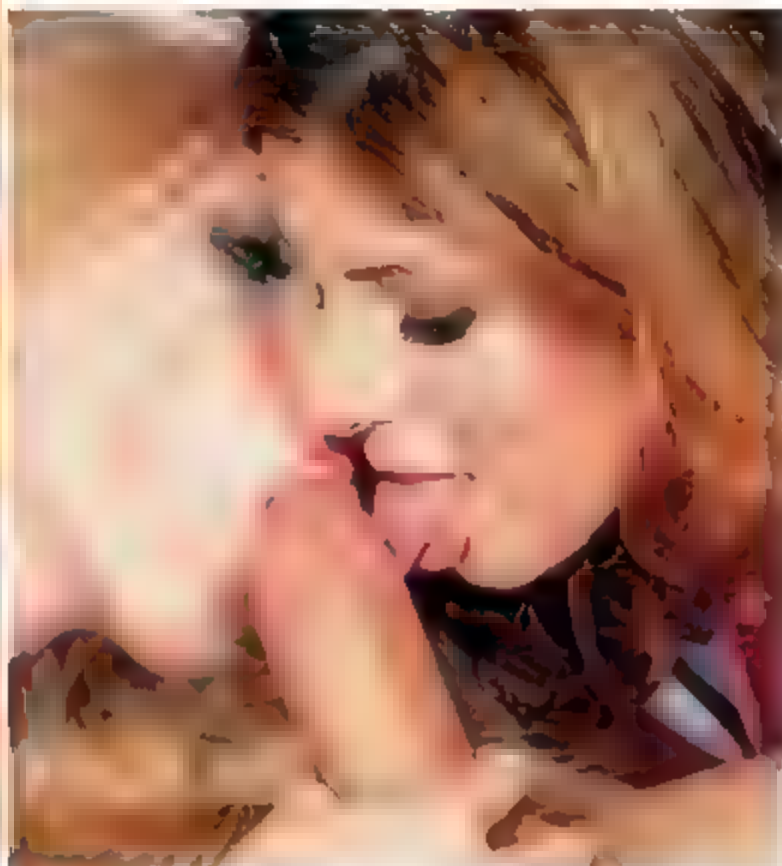

CASIE & SATIVA

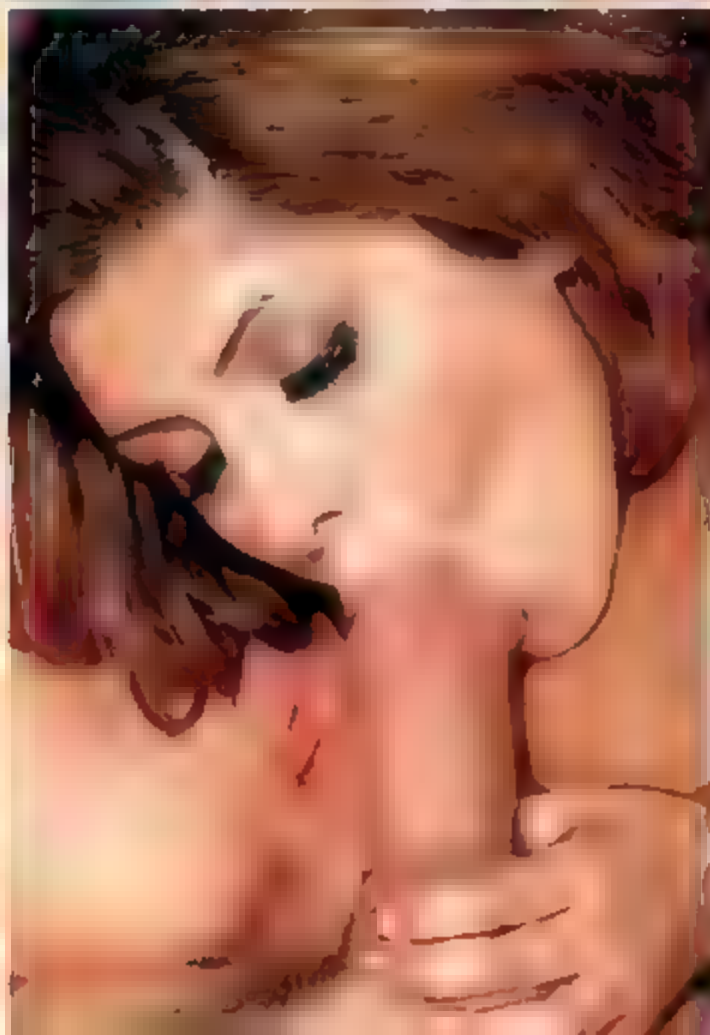

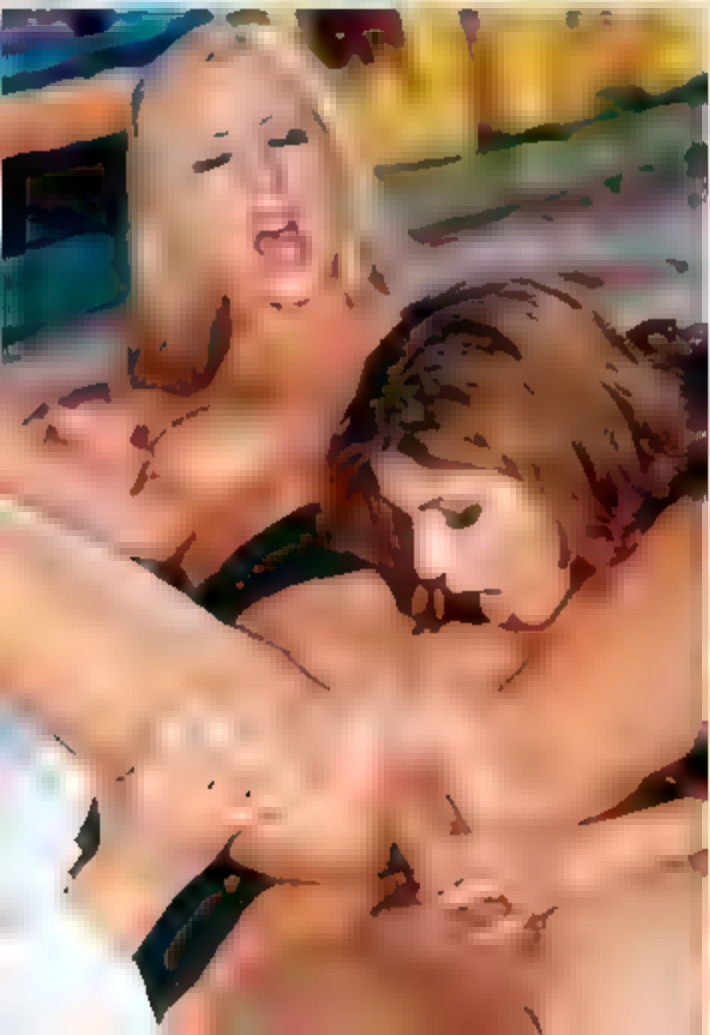

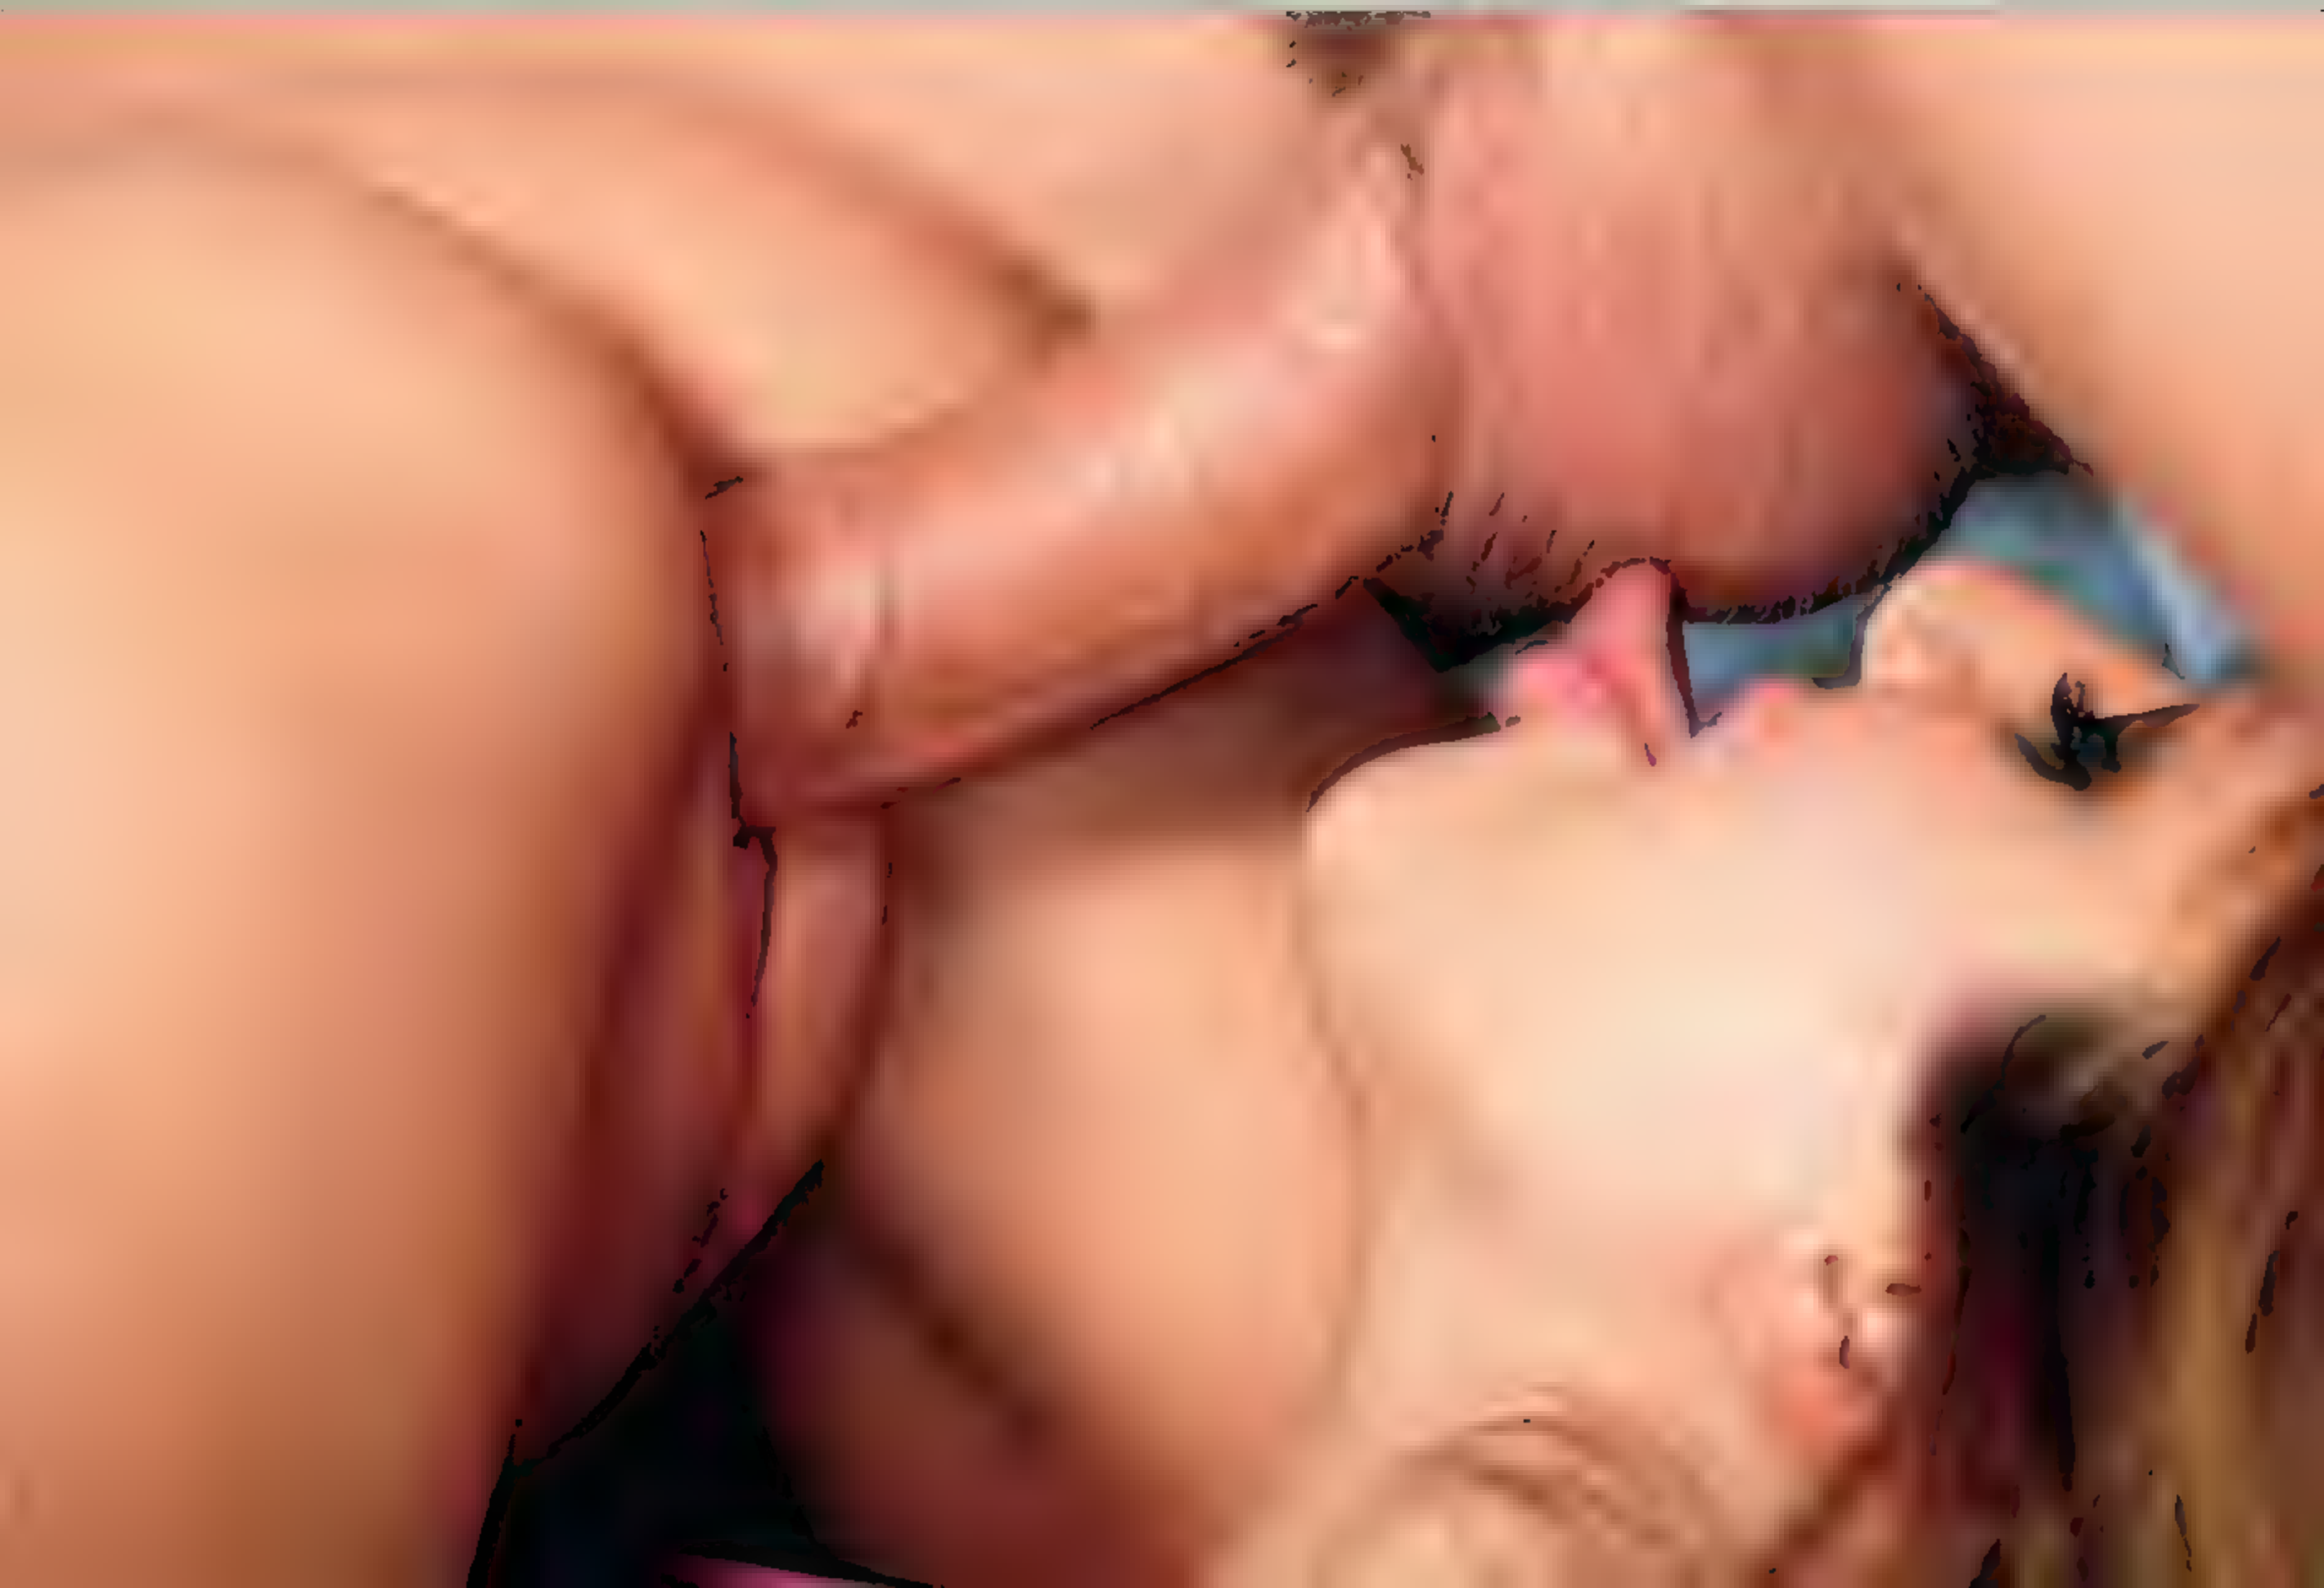

Jerry met porn stars Casie Young and Sativa Rose at the bar tonight, looking hot, smelling good, and most importantly, getting plastered. It was ladies night, so Casie invited her "girlfriend" Sativa along. Hoping to score some cock—and free drinks—Casie and Sativa size up Jerry. "He looks like he's packing a big...wallet," says Sativa. "He can buy us drinks and fuck us, and we can dump him when we're done," says Casie. Jerry takes the babes back to his place, positions them on the sofa, and nabs them both. He thrusts his meat into Sativa before shooting his load all over Casie. Casie and Sativa swap his cum until it's all gone. Time to get going. Ladies night lasts until midnight, and the girls still want to drink for free. And Jerry needs to clean up before his wife gets home! e

Naked chick rock! Most men will wait around all day and half the night just to catch a glimpse of one. This is why the annual Nudes-A-Poppin' Festival in Roseclawn, Indiana is such a blast. It's all about nude women. Morning, noon, and into the night, naked go-go dancers shimmy across the stage of the Ponderosa Sun Club, or frolic in the gigantic pool, or hang out chatting with fans with their big naked knockers awaying in the breeze, and their juicy pussies on display for all to see. It's a beautiful thing. It's what makes the Ponderosa Sun Club one of the coolest places on Earth. The dancers, more than 100 of them, are there to compete in the Miss Nude North America and Miss Nude Galaxy Pageants. The fans—and there are thousands of them—are there to leer, cheer, drink beer, and masturbate into the portable toilets. It's a great time—guaranteed.

Some of the most enjoyable things about the Nudes-A-Poppin' Festival are its hosts. Former *CHER!* Editor-At-Large Ron Jeremy was on hand again this year to host the event with porn sensation Jessica Jaymes (check out her "naughty nurse" gig with Nick Manning on page 46 of this issue), national dance champion Naomi Knight, and John Popper from the jam band Blues Traveler (back for his second visit to the Nudes-a-Poppin' show—had so much fun in 2006 that you just couldn't stay away, could you, John!) But while hob-knobbing with celebs is always fun, rubbing elbows—and other parts—with naked chicks is even *fun!* us. The nude contestants are the real stars of the show. Let's get to it!

KEY	completely limp and flaccid	a little tingle, that's about it	semi-hard
	not bad, bonus-inspiring	above average, hard and throbbing	classic! ready to spew!

CONTROL 9 (Digital Playground)

Starting: Gabriella Fox, Eva Angelina, Memphis Monroe, Kelly Devine, Lacey Maguire.

Gabriella Fox is a star in the making! We don't make that claim lightly, but as soon as she appears totally naked on screen, our bones went out of control. Instantly ready to shoot a giant white load in her honor. Gabriella is the centerpiece of this hardcore fuck flick, who gets nailed hard, sucks a mean cock, and shows off her amazing curves, and sculpted 19-year-old ass. That's exactly what 19 should look like. But Gabriella isn't the only highlight, as Eva Angelina begins things with a sunrise nominee for best sex scene, starting off with an amazing tease that leaves none of her holes unexplored by the amazing camera work of our favorite DP director, Robby D. Robby knows we like things hard, and that's exactly how Tommy Gunn fucks Eva in every single fuck hole she has available. He comes back to bang away at Memphis Monroe, whom we'd all loved to be in right now. And when it comes to nasty hot butt sex, Kelly Devine's ass was built for it as she takes Chris Charming way, way deep, ignoring her pussy and just rearing Kelly's big butt. Definitely the way we love our anal. *Control 9* is the best of this DP hardcore series with something for everyone, and girls we love getting nastier and nastier!

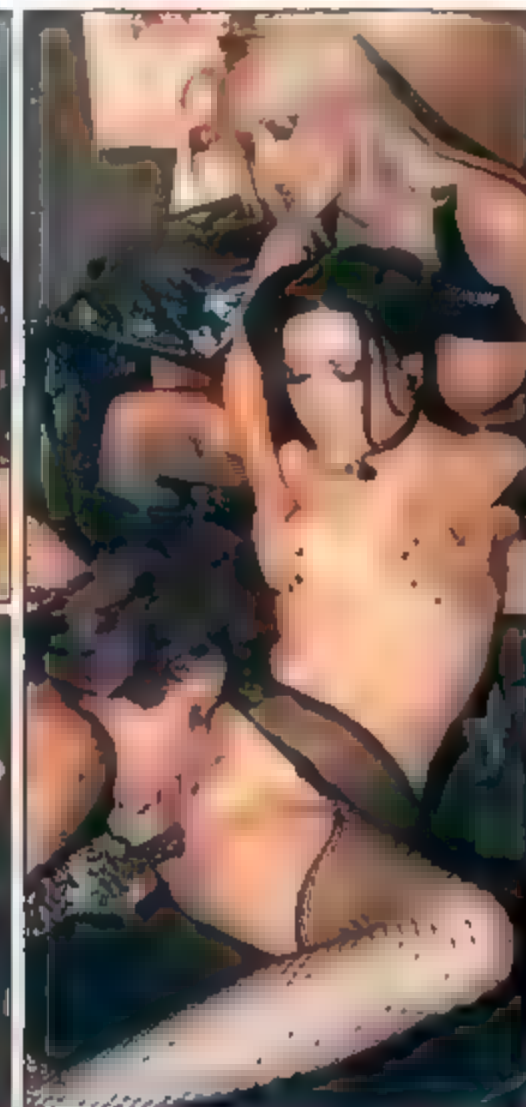

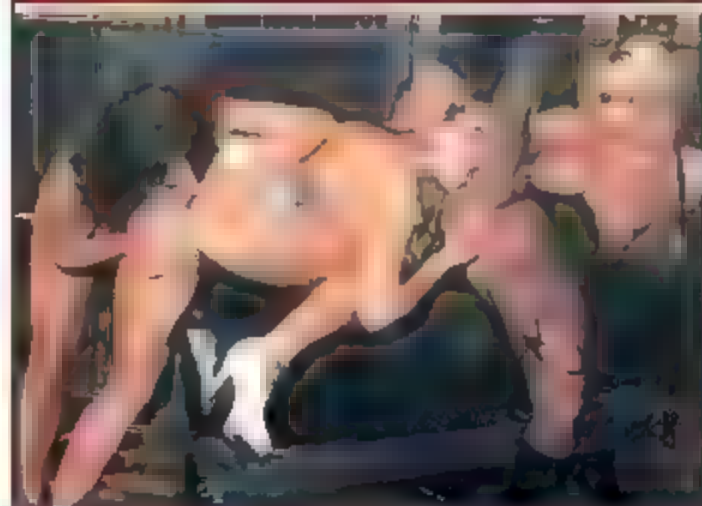

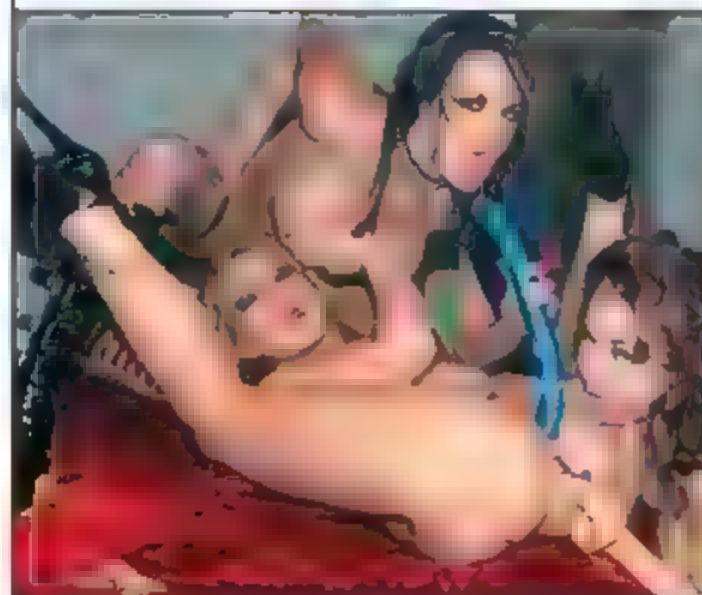

— Rob P.

PREDATOR 2: THE RETURN (Wicked)

Starting: Stormy Daniels, Adriana Nicole, Alektra Blue, Aine, Gianna Lynn, Holly West, Kelly Wells, Led Lamour, Memphis Monroe, Nikita Denise, Penny Flame, Roxy DeVille, Sammie Rhodes.

We love films that have the hottest babes giving one another tongue baths. Stormy Daniels outdid herself with the original *Predator*, and she does it again in this sequel. Beginning with a scorty meeting the ladies are dared to visit a haunted house occupied by Stormy and her slaves, on Halloween. We are introduced to Stormy when she grabs Roxy DeVille, who is dressed as a kitten and is instructed to suck Stormy's pussy. Nikita Denise joins in the fun and she is such a great sex diver it inspired me to cruise for pussy. Holly West and Gianna Lynn explore the haunted house and Stormy takes them hostage. With a tied up Holly, she pulls out one of my favorite vibrators, a Hitachi magic wand, and gets to work on Holly's clit, while Gianna watches while trapped in a box. Gianna is thrown on top of Holly and spanked until she eagerly spreads her legs. Led Lamour is the next piece of bait grabbed by Sammie Rhodes who's dressed as a doll. Those dolls are lethal; you'll just have to take my word on it! Adriana Nicole and Kelly Wells walk right into Stormy's grip and are forced to put on a show for her and must be convincing, and they are. At least to me they were, as I got wet watching Penny Flame plays a cop who investigates the strange noises and makes some of her own when Stormy gets her to spread open and uses her nightstick to serve more than protect. Alektra Blue, Aine and Memphis Monroe steal the show in the final threesome for Stormy and a tied up Penny. Alektra is the star of this threesome. She has a great pair of knee high boots on and masterfully pounds Memphis' pussy with a glass dildo. She doesn't stop there; she finds a long, blue double-headed dildo to stuff Aine's pus with. Why can't every Halloween be like this?

DIRTY ROTTEN MOTHER FUCKERS 2 ********

(Chris Streams Productions)
Starring: Brittany O'Connell, Veronica Rayne, Raquel Devine, Monique, Jada Fire, Diamond Jackson, Julia Ann, Holly Halton.

We love these sex-craving mothers who all want to get stuffed, banged, and stomped by hard cock. And this cast of sexually deprived MILFs take every inch of cock being thrown at them in director Chris Streams' super hard charging fuck flick. Raquel Devine will stop at nothing to have Mr. Pete from his wanna gangsta cock deep inside her, while rich bitch Veronica Rayne orders delivery boys John Strong and Mark Sherwood to double plug her aching, aging fuckholes. Damn, Veronica looked good getting fucked in each hole. Black sisas Monique, Jada Fire and Diamond Jackson invite over some brothas to ream their asses, and shower them with sticky white jizz. Cumback slut Brittany O'Connell puts on a hot scout uniform to tease Mike Stefano into sampling her tasty cookie. We'd love to buy Brittany's cookie, or at least rent it to see how sweet it is. Former contract babe Julia Ann is now a super anal whore, courtesy of Erik Everhard, who fucks her ass and shows her how real cougars take it balls deep. These seasoned whores are what we'd call mothers we'd love to fuck!

Rob P.

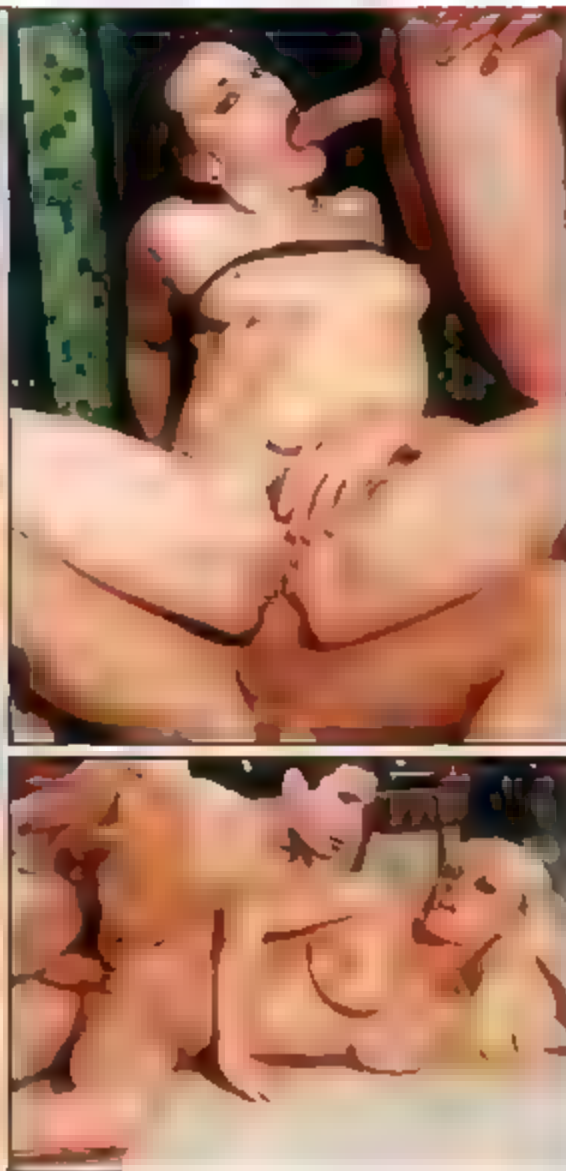

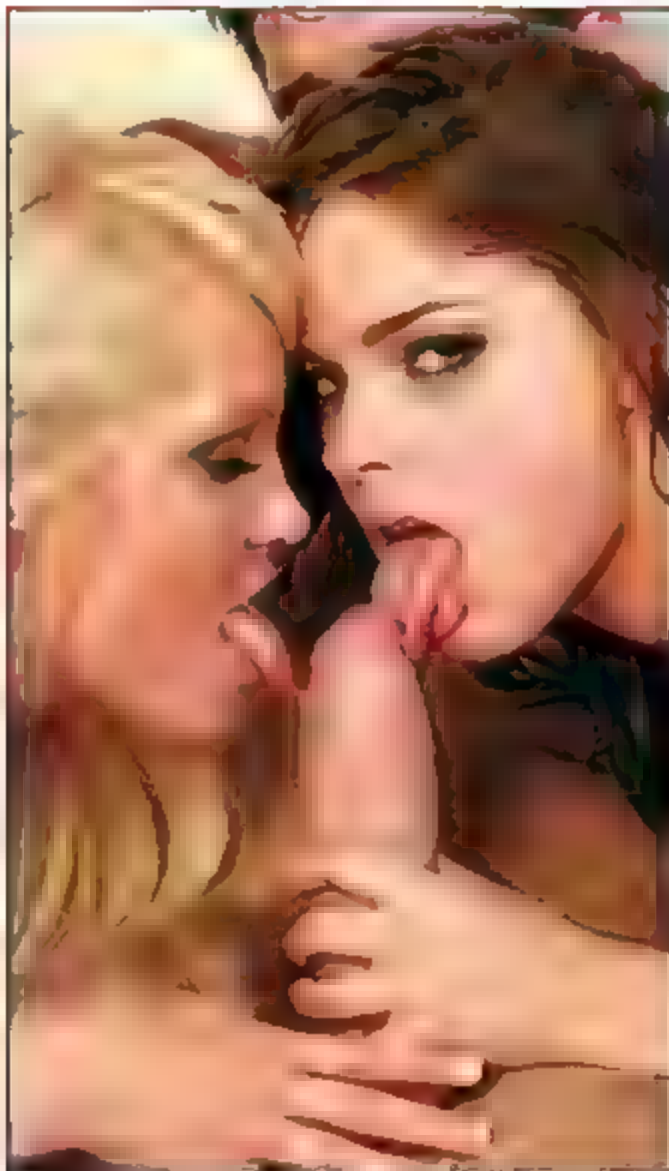

MASSIVE ASSES 2 ********

(Elegant Angel)
Starring: Annette Schwarz, Jenny Hendrix, Kelly Divine, Pinky, Rosario Stone.

A big dick just looks better wrapped around a fat ass. Maybe I'm being biased cause I have a fat ass, but am I wrong? Jenny Hendrix starts the show off with an 8-minute teaser. I could watch her walk all day. She then gets her ass eaten, sucks dick a little, gets fucked, then goes Greek for the rest of her ride. Jenny makes her man work up a sweat fucking her while she recovers quickly. I can relate. Annette Schwarz ferociously sucks a dick on the stairway. It's like her mouth never goes dry! Annette has the most variety as she throws her ass in the air, rides a mean cock, gets her hair pulled and more unmentionable fetishes. She finishes up with some back door work, unfortunate since it's the last time we see any sunny side up action. Rosario Stone gives us the most entertainment as she rides a cement horse, gets her fishnet stockings ripped off her, and is all around fly. She makes her dude work so hard he turns red and she has to spank herself! You know Rosario is mad that she had to spank herself by how dark her handprint is on her ass. I feel her pain, there's nothing like a good spanking. Kelly Divine's got the kind of skin that turns right red with every touch, no matter who is doing the touching. Kelly's best scene is when she's strapped with a belt turned leash. Pinky finishes up like the pro she is. But when I saw the dude who was gonna fuck her I said, "Are you serious?" Pinky could eat him alive. And she does. And just like Rosario, she's got to spank herself. If I had a cock, I would've spanked it a few times too.

MEGGAN & HANNA LOVE MANUEL

Starring: Megan Mallone, Hanna Hilton, Dana DeArmond

When Megan and Hanna love Manuel, we love them back. Hanna plays a real estate agent. Manuel her client who lives next door and Megan is Manuel's lover. There's a bit too much talking, until Hanna finally takes her clothes off in a striptease that shows off her tight tanned body. Manuel gets straight to sucking her ass. All the while Megan has her own plans. She's at a bar sharing her relationship worries with the bartender while Dana DeArmond gets finger fucked behind the bar. It's hot watching a live sex show within a sex show. She's quickly recruited to join in the fun. After severely sucking one another's tits, Megan drops to her knees and sucks Dana's twat while she's spread open on the bar. At the same time Hanna has Manuel on his knees as he dives into her shaved muff. started to get jealous by the time they were on the floor and Hanna's hard nipples were manhandled and roughly tweaked. We get great shots of Megan working her tongue on Dana's pierced clit. Then the girls drop to their knees and start giving head. Dana is the better face artist out of the two and for that she's rewarded by having both cocks all to herself. Megan's next fuckfest proves the importance of finger to these farts. Megan gets it good and she's desperate for a good fuck and so was I. Then the big finale: the climatic threesome. The best part of this threesome was watching Megan ride a cock while Hanna crouches over her and finger fucks herself. By the end of the film I felt both broads needed to get a lesson in sucking dick from yours truly!

DOUBLE DIPPIN'

CHERRY JUL

Russian beauty Cherry Jul flew all the way from Moscow to shoot this layout. Once she arrived on set, she decided to turn one of the dildos we had on hand into a butt plug. "I not have big cock in my ass since last movie I star in," says Cherry. "I need big toy in my ass to make me cum." We hadn't even set everything up before Cherry started fucking herself, and took the other dildo to DP herself. "I cum harder with cock in each hole." We just started clicking away, taking shot after shot of Cherry popping her, and when she was ready to cum, she moaned something in Russian. Translation: This feels good. "What are you waiting for, comrade?" Cherry asks. "I say I need your cock in me. NOW!" Translation: Put down the camera and bang my hot, Russian ruff! Got it. ■

And we've got plenty of black pussy to show you this month. Ebony goddesses Jade Fire, Male Lux, plus many other gorgeous black babes rucking on cock, taking it in the ass, and showing off their big, luscious tits. GLAM LEZZIES

CARL AND TORY LANE

Carl and Tory have gotten dressed up for the big party being held at the CHIEF mansion, but they don't expect to be in their gowns for long. In fact, as soon as they check out what the other one is wearing, they can't take their eyes off each other. "You look so fucking hot, Carl," says Tory. "So do you. I want to fuck you right now," Carl replies. Tory, the more aggressive dyke, takes control of Carl and peels off Carl's cheap, off-the-rack dress. Tory then orders Carl to eat her out, and Carl taps away at Tory's wet, glistening pussy. "Eat that, eat it, you slut!" Tory screams. After they fuck, they get dressed, put their hair back in place, and head out to our mansion. There are plenty more chicks to fuck, and the night is still young! »
